

Hi there,

Congratulations. You won Sticky Password!

Sticky Password is the award-winning password manager and form-filler that remembers your passwords and enters them automatically whenever and wherever you need them - on your desktop, smartphone or tablet. Now even safer with Dark Web Monitoring.

Please follow the rules below to enjoy this amazing software for free.

1. Download link/code: <https://www.stickypassword.com/download>
2. License code: **DA00PR-054DF0-06EA3B**
3. Activation period
 - Anytime until Feb 15, 2023
 - 1 year license

Best wishes!
