

Hi there,

Congratulations. You won SwifDoo PDF !

SwifDoo PDF is an excellent PDF editor for Microsoft Windows that comes with a lot of features. Some of these features include but are not limited to text flow across multiple paragraphs and columns, the ability to move and manipulate text boxes, add different stamps and watermarks, reorganize pages, collaboration options, the ability to protect and sign PDF documents, etc. The best things about SwifDoo PDF is that it has some of the best OCR capabilities.

Please follow the rules below to enjoy this amazing software for free.

Step 1: Please firstly register an account in: <https://www.swifdoo.com/login>

Step 2: Visit and login the user center page:

<https://www.swifdoo.com/usercenter>

Step3: Hit the "**Redeem My Code**" option, copy the activation code **m-swifdoo-eve** then press Submit.

By doing these, you have finished manual activation.

Notes:
